Cuyahoga County Encourages Residents to Sign Up for ReadyNotify

Cuyahoga County has launched **ReadyNotify**, a mass notification system that can deliver information to the public, and is encouraging all County residents to register. The system enables municipalities and the County to immediately alert residents and disseminate any important emergency or non-emergency information.

The service is free and residents can expect to receive information regarding:

- Emergency / Non-Emergency Events
- Severe Weather Warnings
- Cuyahoga County Government News
- Cuyahoga County Building Closures
- Safety Messages
- Other important information

Options for receiving messages include:

- Home/Work Phone
- Cell Phone
- SMS/Text Messaging
- E-mail
- Fax
